

# Three Farms Walk

**Where and when?** Sunday 17 July 2016, walking from Huxhams Cross Farm, though South Devon Steiner School and onto Velwell Orchard.

**What and why?** To celebrate all the volunteers and supporters of land-based enterprises in the Dartington and South Hams area, we are bringing everyone together for a fun and enjoyable day exploring some of the local projects.

The day aims to build on some of the exchange visits and meetings already taking place, and to provide a nice way for volunteers and those running different projects to get together and socialise. Our hope is that it will become a regular summer activity.

It would be good to have an idea of numbers so if you'd like to join in **please email Harriet on [harriet.bell@dartington.org](mailto:harriet.bell@dartington.org) or call Derek on 01364 644 010.**

## Timetable

**10am – meet at Huxhams Cross Farm:** an introduction to this relatively new site.

From there meander in the direction of...

**11:30am - South Devon Steiner School:** Hopefully we'll reach the school just in time for snacks, refreshments and a little update on their activity.

Continuing on to....

**1pm - Velwell Orchard:** We'll stop for lunch, which will be followed by guided tour of the site.

If you think you might struggle with the entirety of the route (and back again post lunch), please let us know and we'll see if anyone might be available to chauffeur (do also let us know if you're happy to chauffeur).

## Practicalities

Some food will be provided for lunch (highly likely to be soup) but if we aspire to make it a pot luck then could people please bring and share whatever they fancy.

Parking is not readily available anywhere other than the South Devon Steiner School or on the Dartington Estate (closest car parks being at Schumacher College and The Shops at Dartington). There are a few spaces at Huxhams Cross Farm and Velwell alternatively.
